*Rocky Trail Entertainment, organisers of the inaugural **Sea Otter Australia Festival**, is delighted to extend a special invitation to all students and their families across the Eurobodalla Shire.*

Dear Eurobodalla School Principals & Teachers,
Dear Students & Families,

As a local family and Rocky Trail owners, we are absolutely thrilled to bring the world-renowned Sea Otter Festival right here to Batemans Bay! Seeing kids—and especially local kids—fall in love with bikes and nature is what drives everything we do.

This festival is the perfect place for that; it's truly "**Where Kids Become Riders and Racers.**" That's why we're delighted to offer FREE entry to the Festival Hub & Event Centre for every single Eurobodalla school child and their family.

The Hub is packed with free fun, including the Kids Pedal & Play Zone, games, and the pump track—everything needed to foster that lifelong passion for cycling.
